

RESOLUTION 2019-5

RESOLUTION TO OPEN THE BELMAR HOUSING AUTHORITY WAITING LIST

**WHEREAS**, A PHA has flexibility to determine whether to keep the waiting list open indefinitely or whether to open the waiting list periodically for defined application periods. PHAs should only make this determination after careful analysis and consideration of all circumstances, including whether the length of the waiting list makes the wait for housing unreasonably long.

**WHEREAS**, after processing an update to the Belmar Housing Authority waiting list and a careful analysis of the waiting list it has been determined that the Belmar Housing Authority will re-open its waiting list for eligible applicants to apply as of March 1, 2019,

**THEREFORE**, be it resolved that the Belmar Housing Authority is opening its waiting list as of March 1, 2019 and notice of such will published in the Coast Star.
